

7th Grade English 2nd Term 2nd Written Exam

A. Read the text and answer the questions.

Tomorrow is a very exciting day because it is my sister's 13th birthday. My parents and I are planning a surprise party for her. We are going to decorate the garden with colorful lights and flowers. My mother will prepare delicious snacks and drinks for guests. My father ordered a strawberry cake. We also bought a special gift for her. I think she will be very happy tomorrow.

1. What are they celebrating tomorrow?

2. What kind of cake did the father order?

B. Read the text and answer the questions.

People think life will be different in the future. Families will live in smart houses and robots will help us with the housework. Students will study online with virtual teachers. People won't use buses or cars because they will travel by flying vehicles. Scientists also believe that people may live on the Moon one day.

1. What will robots do in the future?

2. Why won't people use buses or cars in the future?

C. Read the text and answer the questions .

Tom went to the shopping mall after school. First, he visited the bookstore to buy a new dictionary for his English class. Then, he went to the sports shop to buy a ball for his brother. After that, he stopped at the bakery to get some cupcakes. Finally, he met his cousin at a cafe to drink lemonade.

1. Why did Tom go to the bookstore?

2. Where did he buy a ball?

D. Look at the picture below and write one or two sentences.

1. Where is she going and why?

E. Read the text and answer the questions.

Save the Earth

I think our planet needs our help. Everybody must do something. To save our planet, we should plant trees, we should use eco-friendly bags, we should recycle plastic and metals. We shouldn't waste water and energy. We must turn off the taps while brushing our teeth. We must turn off the lights when we don't need.

1. What should we do to save our planet?

2. How can we save water?
