Subject:	My new smartphone	
<p>Dear Tom ;</p> <p>Dad and I went to the technology store at the shopping mall last week and he bought me a smartphone as a gift. But I have some questions in my mind. In my opinion,smartphones waste a lot of time. I did very well in my first TEOG exam and have one more TEOG exam at the end of April. I don't want to use social media or text on whatsapp until April. You know I go to course six days a week and I am only free on Sundays. I prefer visiting my relatives or meeting up with my friends to spending time with a smartphone.</p> <p>You had a smart phone last year. What do you think about that ? Did you study well last year or waste your time with your smartphone ?</p> <p>Take Care Mike</p>
