MAKING GENERALIZATIONS

Generalizations are everywhere. Here are some examples that everybody has an idea:

- » The Italians have three P's: pizza, pasta and passion. Most of the people in Italy are great lovers. It is easy to see the examples in Italian films and series too. They like sharing love with someone.
- » It is also said that many people in Spain are lazy. Spanish people have *siesta* when they sleep. Maybe it is because of the hot weather or Mediterranean climate. But what most of the Spanish people like is sleeping and resting.
- » Many Americans are fast-food eaters. They enjoy having fast food during the day at least once. It is because obesity has an alarming rate in the country.
- » Part is a key word in Australia. Most of the Australians are in love with parties. They are great party lovers! They enjoy any kind of parties e.g. barbecue, birthday, graduation party... Many of them are gifted in organizing parties for special occasions like these.

Let's think about the generalization of your country!
