## **JULIE AND ROBERT'S WEDDING**

My sister Julie is getting married at the weekend, but she's not going to have a traditional wedding. She's going to wear a long dress, but it's blue, not white! The wedding ceremony is only for close family members: parents, brothers and sisters. In the evening, Julie and her husband Robert are going to have a party at his parents' house for their friends and other relations.

The wedding ceremony is at one o'clock on Saturday. In the morning, Julie is going to the hairdresser's. Then, she has to collect her flowers from a shop in town. When she gets home, my mum and I are going to help her to get dressed. At about quarter past twelve, mum and I are leaving for the ceremony in our car. Then, dad is going to drive Julie there in a black car. He will borrow the car from a friend.

After the ceremony, we'll all take some photos. Then, we're going to go to an Italian restaurant for a meal. My mum made a wedding cake, and she will take it to the restaurant.

The party in the evening starts at seven o'clock. Julie and Robert invited about eighty guests. They've got a band, too. Robert's sisters prepared lots of food. It's going to be great fun!
