**XIV-14**

A hand-drawn illustration of a scroll, possibly representing a document or a page from a book. The scroll is unrolled, showing a central rectangular area with a wavy, irregular border. The text "XIV-14" is written in a large, bold, black, stylized font across the center of the scroll. The scroll itself is drawn with simple black outlines and some hatching for shading, particularly along the edges and at the bottom right corner where it appears to be rolled up. The background is white with faint, repeating watermarks of the word "iStock" and "by Getty Images".
