Hello. I am Andrew. I am an outgoing person so I have a lot of friends in my life. I can make friends easily. But I have three true friends in my life. My first true friend is Carol. She is like my sister. I always count on her because she never tells lies. I can share my secrets with her because I know that she is going to keep them forever. My second true friend is my classmate Toby. We always spend time together. We have similar interests. We play soccer every day. He is a funny person, he makes good jokes. However we sometimes argue. Now I want to write about my another true friend Arnold. I love him a lot because he always backs me up when I need him. When I have problem with my homework or something I want him to help me and he never refuses me.

As I said before I have a lot of friends in my life but these three people are true friends for me. I love them very much.
