Some of the compositions that led Elvis to the incredible fame came out after his sorrows.The well-known Turkish folk song Ormancı (The Forest Guard) is based on a true story that took place in an Anotolian village.When two young men lost their lives in a dispute, a sentimental man put his feelings down into words and later,his work was composed.İstiklal Marşı ,

Turkish National Anthem has an unprecedented heroic story behind.Mehmet Akif's quote,after refusing to get the winner's award, tells us how much a nation had suffered before they became the subject to this composition : "May Allah protect this nation from having to write another national anthem."
