Dear Betty,

Last weekend was very tiring for me. I got up early on Saturday. I went to boutique to buy a new dress for our graduation party with mum. In the afternoon we went to an art gallery to see new paintings. Then, we met with my aunt at the cafe to drink something and have a rest. On Sunday, my father woke me up early and we went to supermarket and did grocery shopping. In the afternoon we went to amusement park. It was fun. I had a great time there.
