Invitation

Dear Osman ;

How are you? I hope all is well in your life. We are organizing a trip to Africa. Choose your closest partner and join us. I know it is far away but it is going to be exciting. Everything is ready. We will join a safari. I know your hobbies. You love paintings. When you see the nature and animals there, you can draw new paintings. We will rest and sleep near the ocean with ocean sounds. We can have an interview with people related to their simple lives. We can also cycle riverside. Africa has a lot of rivers. We both love music and instruments. African music is really good. We can enjoy it and we can create new songs. It can seem interesting. But, we can even make our song titles in African. According to my opinion, we should do this once a year. I am looking forward to hearing from you.

Best Wishes

Kaan
