D) Read and answer the questions.(5x5 = 25)

I would rather go on vacation at the seaside because you can have more fun there and do more enjoyable activities and sports than the others. For example, you can swim, go scuba diving, do surfing, ride on a jet ski, have a boat trip and do paragliding and parasailing. Last year I went on vacation in Erzurum. I stayed in all-inclusive hotel. It was freezing. I tried skiing, and snowboarding. I think it is not challenging and summer sports are more entertaining than winter sports. My dream is to going scuba diving in the ocean. I hope I will do it. I also would like to visit historical places. But my brother doesn't prefer visiting ancient cities and museums. Two months ago I visited Akdamar Island, is 55km. from Van. It is in the middle of the Van Lake. It is known for its original church. It was a fascinating historical constuction. You should visit there.
